At  
Alexander Montessori School

Tennis skills, games, and match play (movie and indoor fun on rainy days) will be included in the daily format. Good sportsmanship and etiquette will be stressed throughout drills and games. We will reinforce all the skills your children have learned this year with a 5-day concentrated camp. Fundamentals, positive mental attitudes, and most of all...F U N will be the emphasis of the tennis camp. Thank you for your support of the JVTennis junior program at Alexander Montessori School throughout the year(s)...We'll have a blast!
